COMMUNITY CONNECTION

Winter Coat Drive

This fall, we partnered with Rockland Community Action Partnership to hold a Winter Coat Drive at each of our branches. Palisades CU employees and members donated men's, women's, and children's coats and winter items - the estimated value being over \$2,500! Thank you to all who donated and helped spread the word - your contributions have a major impact on our community!

HOME FOR THE HOLIDAYS

Project Joy

In December, the PCU Crew volunteered with People to People's Project Joy!

People to People's programs provide groceries, clothing and housewares, school supplies, and more to neighbors facing difficult times, and during the holiday season, Project Joy offers their "Joy Store", where local families are able to receive gifts for their children.

Thank you to our volunteers, Jason, Mike, Anthony, Mat, and Al (behind the camera) for their work with this wonderful organization!

TOGETHER WE THRIVE

Tomorrows Children's Fund

We are honored to support Tomorrows Children's Fund with a \$7,500 grant - made possible by the Federal Home Loan Bank of New York. We believe in the vital work that TCF does for families in our area, and we are thrilled to contribute to their mission.

Tomorrows Children's Fund supports children with cancer and serious blood disorders. They provide a warm, healthy, and loving environment for children in treatment and a full scope of services to relieve families' emotional and financial stress. We are grateful to be a part of TCF's efforts and look forward to continuing our support as we work together to make a difference in the lives of those in need.

Suffern Rotary Club's Period Product Initiative

We are so happy to contribute to Suffern Rotary Club's Period Product Initiative project! With another grant made possible by the Federal Home Loan Bank of New York, we had the opportunity to support this project, which directly helps women in our community.

PCU CREW

A Year in Review

The PCU Crew had the pleasure of working with so many wonderful organizations this year. The PCU Crew consists of Palisades Credit Union employees that volunteer throughout Rockland County, Bergen County, and beyond! We volunteer to give back to our local communities as much as possible. Here's a recap of the orgs we worked with in 2024, many of which we worked with multiple times throughout the year!

"...I was grateful to find that Palisades and my credit union were in the same co-op. Even though I was a visitor, Hakeem looked up my credit union and account and made the deposit immediately. It was a huge relief to be able to get it done. Thanks Hakeem!"

- A shared-branch member Mike, on his experience with our New City Teller, Hakeem

"I recently closed on a HELOC and I must say the experience was seamless thanks to the assistance of the branch manager, Ellen... Ellen is truly amazing! From her expertise, kind personality, and attentiveness, I knew I was in good hands... I had a lot of questions during the process and Ellen put me at ease by answering every single one and making sure I truly understood the response. This branch is very welcoming and the team is just as amazing."
